PROJECTS

Django/Web Projects:

1. **Music Player and Enhancement a Web Application**
   Overview: Built a comprehensive music application similar to Spotify, with advanced features like voice mimicking, tune frequency changes, and listener collaboration.
   Details: Implemented voice conversion features allowing users to change voices (e.g., Male to Female, child). Enhanced music tunes (e.g., Guitar, Piano, Violin) with multiple frequency options. Developed a virtual environment for simultaneous song listening among friends.
   Skill and tools: Python, Librosa, Machine learning, Scikit-learn, TensorFlow, Django Framework, IPython, pyaudio, Excel, Many python voice libraries, Git, HTML, CSS, JavaScript, SQL, API's. Generative AI.

Flutter/Web/Android

2. **Nursing Bureau with Platform Using Cloud Technology – Ongoing**
   Overview: It's a next level version of traditional life to connect with peoples, where you can hire staff/ worker on hours and days basis, The time staff will work is temporary you can choose for how long you need that staff for a particular work.
   Details: Staff will create an account on platform and will get verified by platform team then staff profile will be available platform page from where client will hire them to work on temporary basis.
   Skills and Tools: Flutter, Dart, GoogleMap API, Firebase APIs

SKILLS

Programming Languages: Java, Python, Dart, SQL, JavaScript

Frameworks: Flutter, Django

Web Development: Django, HTML, CSS, JavaScript, Flask

Generative AI: Text Generation, Image Processing, Voice Mimicking, Natural Language Processing

CERTIFICATIONS

Google Analytics Certification

Python For Data Science

Deep Learning with Keras Certificate

EDUCATION

Bachelor of Engineering in Computer Science

Savitribai Phule Pune University – Pune, Maharashtra 412207

DSE	7.73 SGPA
TE	8.64 SGPA
BE	Ongoing
Expected Graduation	**2025**

ACHIVEMENTS

Project Team Coordinator: Successfully led a team to develop a complex project, Improving project management and teamwork skill

HackerRank: 5 Star Golde

HOBBIES

Coding, Traveing
